A National Level Research & Innovation Event | Explore · Research · Innovate · Solve

RESEARCH PAPER JUDGEMENT SHEET

(Aligned with IEEE Conference and Journal Evaluation Standards)

Dates: 13 - 15 October 2026 (3 Days)	**Venue:** Amity University Madhya Pradesh	**Website:** researchothon.online

Team ID : _____ Paper Title : _____

Team Name : _____ _____

_____ _____

Presenter Name : _____ **Room no. :** _____

Track (tick one):

[ ] Technology & AI [ ] Sustainability & Environment [ ] Healthcare & Wellbeing

[ ] Education & Society [ ] Business & Innovation [ ] Policy, Governance & Social Impact

SECTION A — EVALUATION CRITERIA

No.	Criterion	What the Judge Checks	Max Marks	Score Given	Judge Comments
1	**Originality & Novelty**	Does the paper present a new idea, method, or finding? Is the contribution clearly different from existing work?	20		
2	**Technical Quality**	Is the research method correct and clearly described? Are experiments, data, and analysis sound and reproducible?	20		
3	**Relevance & Significance**	Does the paper address an important problem? Is the impact of the work clearly explained?	15		
4	**Clarity & Presentation**	Is the paper well-organised and easy to read? Are figures, tables, and equations properly labelled?	15		
5	**Literature Review & References**	Are related works properly cited in IEEE format? Are references recent, relevant, and complete?	15		
6	**Conclusions & Future Work**	Does the conclusion summarise findings clearly? Are future research directions mentioned?	15		
TOTAL SCORE			**100**
